

Enrolment Policy – Vistara Primary School

1. Applications for enrolment may be made at any time by the parent/carer(s) of students to commence at Vistara Primary School.

2. Students enrolling at school for the first time will be five years of age upon starting school.

3. The School will base any decision about offering a place to a student on:

Family relationship with the school:

- sibling of a current or ex-student;
- either of the parents attended the school
- they hold attitudes, values and priorities that are compatible with the School's ethos

The student:

- the contribution that the student may make to the school, including the co-curricular activities
- The student's reports from previous schools or prior to school service e.g. the NSW Department of Education's Transition to School Statement, or summative report from Preschool

The school:

- Ability to meet the special needs or abilities of the student

Other considerations:

- Order of receipt - when the application to enrol is received by the school

4. The School may/will meet with parents/carer(s) of the student before offering a place.

5. The School has an absolute discretion in determining the weight of each of the factors it takes into account in determining whether to offer a place for the student.

6. Continued enrolment at the School is dependent upon on the student making satisfactory academic progress, attending consistently, and the student and the parent parent/care(s) observing all behavioural codes of conduct and other requirements of the School which are applicable from time to time.
